CODING Brains
WE CODE FOR FUTURE

TO

Attakanithippa Gowri Devi **DATE : 15/04/2026**

We are pleased to inform you that you have been selected for internship opportunity at Coding Brains. We were impressed with your skills and qualifications, and we believe that you will greatly benefit from the hands-on experience and learning opportunities provided by this internship.Although this internship does not include a stipend, it offers valuable practical experience and exposure to real-world projects.

At Coding Brains, we are committed to fostering the growth and development of aspiring programmers like yourself. This internship will allow you to enhance your coding skills, work on challenging projects, and gain industry-relevant experience that will strengthen your future career prospects.

During your internship, you will be working closely with our experienced team of developers and gaining insights into various aspects of software development. You will have the opportunity to work on live projects, collaborate with the team, and apply your knowledge to solve real-world problems. This hands-on experience will give you a competitive edge and help you build a strong foundation in coding.

We look forward to welcoming you to the Coding Brains team and working with you to help you achieve your career goals. Should you have any questions or need any further information, please feel free to reach out to us. Congratulations once again on this opportunity, and we wish you all the best for a successful internship experience.

Yours faithfully,
